Family Index Stress TestSM

Have you taken the Family Index Stress TestSM? This may be the most important exam your family will ever take. It's an exclusive Ingram Financial Group tool designed to see where your portfolio may need changes to get you back on firm financial footing. The "Family Index" is the hypothetical rate of return you need on your investment portfolio to achieve your goals.* The "Stress Test" is an analysis of your current portfolio to determine if it is vulnerable under various economic scenarios. So what are you waiting for? Take the test to see if your portfolio makes the grade.

* There is no guarantee that this rate of return will be attained. Securities are offered through Centaurus Financial, Inc Member FINRA/SIPC. Advisory services are offered through Ingram Advisory Services, LLC, a Registered Investment Advisor. Centaurus Financial Inc, Ingram Financial Group & Ingram Investment Advisors LLC are not affiliated companies.
